For a second year, The MN Twins Wives Organization presented a check to HSI (Human Services, Inc) for their work with children and women in HSI's Victims, Intervention and Recovery Program.

For over 35 years, HSI a nonprofit organization with 7 offices located throughout Washington County, annually serves more than 8,600 residents by providing multi-services for children, adolescents, families and adults who face daily struggles related to emotional disorder, mental illness, chemical dependency, or abuse. In addition, HSI provides services for the elderly and adults with disabilities, which include nutritional services (Meals on Wheels and congregate dining), adult day programs, and transportation. For more information about HSI call 651-777-5222 or visit [www.hsicares.org](http://www.hsicares.org) .
